

Rates of Royalty

MINES & MINERALS
(DEVELOPMENT & REGULATION ACT),1957

THE SECOND SCHEDULE

(See section 9)

**RATES OF ROYALTY IN RESPECT OF MINERALS AT ITEM 1 TO 10 AND 12 TO 38
AND 40 TO 51 APPLICABLE IN ALL STATES AND UNION TERRITORIES EXCEPT
THE STATE OF WEST BENGAL**

1. Agate	Ten per cent of sale price on ad valorem basis.
2.(i)Apatite :	Five per cent of sale price on ad valorem basis.
(ii)Rock Phosphate :	Eleven per cent of sale price on
(a) Above 25 per cent P2O5	ad valorem basis.
(b) Up to 25 per cent P2O5	Five per cent of sale price on ad valorem basis.
3. Asbestos :	
(a) chrysotile	Eight hundred Rupees per tonne.
(b) amphibole	Forty - five rupees per tonne.
4. Barytes	Five and half per cent of sale price On ad valorem basis.
5. Bauxite, Laterite	(a) Zero point four zero per cent of London Metal Exchange Aluminium Metal price chargeable on the contained aluminium metal in ore produced for those dispatched for use in Alumina and aluminium metal extraction. (b) Twenty per cent of sale price on ad valorem basis for those dispatched for use in other than Alumina and aluminium metal extraction and for export
6. Brown Ilmenite (leucoxene), Ilmenite, Rutile and Zircon	Two per cent of sale price on ad valorem basis.
7. Cadmium	Ten per cent of sale price on

8. Calcite	ad valorem basis.
9. China clay/Kaolin (including ball clay, white shale and white clay)	Fifteen per cent of sale price on ad valorem basis.
(a) Crude	Twenty three rupees per tonne.
(b) Processed (including washed)	Eighty -five rupees per tonne.
10. Chromite	Seven and half per cent of sale price On ad valorem basis.
11. Coal *	
A. Coal produced in all States and Union Territories except the State of West Bengal.	
(i) Group I Coals	
(a) Coking Coal	
Steel Grade – I	
Steel Grade – II	Two Hundred and fifty rupees only per tonne.
Washery Grade – I	
(b) Hand picked coal produced in the States of Arunachal Pradesh, Assam, Meghalaya and Nagaland	
(ii) Group II Coals	
(a) Coking Coal Washery Grade – I	
Coking Coal Washery Grade – II	One Hundred and sixty five rupees only per tonne.
(b) Semi - coking Coal Grade – I	
Semi - coking Coal Grade – II	
(c) Non- coking Coal Grade – A	
Non - coking Coal Grade – B	
(d) Upgraded run of mine coal produced in the States of	One Hundred and fifteen rupees only per tonne.

Arunachal Pradesh, Assam, Meghalaya and Nagaland	Eighty five rupees only per tonne.
(iii) Group III Coals	
(a) Coking Coal Washery Grade – IV	Sixty five rupees only per tonne.
(b) Non- Coking Coal Grade – C	
(iv) Group IV Coals	Fifty rupees only per tonne.
(a) Non- Coking Coal Grade – D	Ninety rupees only per tonne.
(b) Non- Coking Coal Grade – E	
(v) Group V Coals	
(a) Non- Coking Coal Grade – F	
(b) Non- Coking Coal Grade – G	Seven rupees only per tonne.
Lignite	
(vi) Group VI Coals Coal produced in the state of Andhra Pradesh.	
B. Coal produced in the State of West Bengal.	Six rupees and fifty paise only per tonne.
(i) Group I Coals	
(a) Coking Coal	
Steel Grade – I	
Steel Grade – II	Five rupees and fifty paise only per tonne.
Washery Grade – I	
(ii) Group II Coals	
(a) Coking Coal Washery Grade – I	Four rupees and thirty paise only per tonne.
Coking Coal Washery Grade – II	
(b) Semi - coking Coal Grade – I	
Semi - coking Coal Grade – II	Two rupees and fifty paise only per tonne.
(c) Non- coking Coal Grade – A	

Non - coking Coal Grade – B	
(iii) Group III Coals	Three point two per cent of London Metal Exchange copper metal price
(a) Coking Coal Washery Grade – IV	Chargeable on the contained copper metal in ore produced.
(b) Non- Coking Coal Grade – C	
(iv) Group IV Coals	Ten per cent of sale price on ad valorem basis.
(a) Non- Coking Coal Grade – D	
(b) Non- Coking Coal Grade – E	Ten per cent of sale price on ad valorem basis.
(v) Group V Coals	
(a) Non- Coking Coal Grade – F	Forty five rupees per tonne.
(b) Non- Coking Coal Grade – G	Ten per cent of sale price on ad valorem basis.
12. Copper	Twelve per cent of sale price on ad valorem basis.
13. Corundum	Five per cent of sale price on ad valorem basis
14. Diamond	Three per cent of sale price on ad valorem basis.
15. Dolomite	Ten per cent of sale price on ad valorem basis.
16. Felspar,	
17. Fireclay (including plastic, pipe, lithomargic and natural pozzolanic clay)	One and half per cent of London Bullion Market Association price (commonly referred to as “London Price”) chargeable on the contained gold metal in ore produced.
18. Fluorspar	Two and half per cent of London Bullion Market Association price (commonly referred to as “

(also called fluorite)	London Price") chargeable on by-product gold metal actually produced.
19. Garnet :	
(a) Abrasive	
(b) Gem	Two hundred and twenty five rupees per tonne. One hundred and thirty rupees per tonne.
20. Gold :	
(a) Primary	Fifty rupees per tonne. Twenty per cent of sale price on ad valorem basis.
(b) By-product gold	Twenty-seven rupees per tonne. Sixteen rupees per tonne.
21. Graphite :	
(a) with 80 per cent or more fixed carbon	Eleven rupees per tonne
(b) with 40 per cent or more but less than 80 per cent fixed carbon	Nineteen rupees per tonne.
(c) with less than 40 per cent fixed carbon	
22. Gypsum	Eleven rupees per tonne. Eight rupees per tonne.
23. Iron Ore :	
(i) lumps :	
(a) with 65 per cent Fe content or more.	Four rupees per tonne.
(b) with 62 per cent Fe content or more but less than 65 per cent Fe.	Ten per cent of sale price on ad valorem basis.
(c) with 62 per cent Fe content	

(ii) Fines: (a) with 65 per cent Fe content or more. (b) with 62 per cent Fe content or more but less than 65 per cent Fe. (c) with less than 62 per cent Fe content. (iii) Concentrates prepared by beneficiation and/or concentration of low grade ore containing 40 per cent Fe or less.	Five per cent of London Metal Exchange lead metal price chargeable on the contained lead metal in ore produced. Fifty rupees per tonne. Forty five rupees per tonne. Forty five rupees per tonne. Forty five rupees per tonne. Three per cent of sale price on ad valorem basis.
24. Kyanite	Three per cent of sale price on ad valorem basis.
25. Lead	One per cent of sale price on ad valorem basis.
26. Limestone : (a) L.D. grade(less than one and half per cent silica content) (b) Others	Four per cent of sale price on ad valorem basis. One hundred and twenty-five rupees per tonne.
27. Lime kankar	Zero point one two per cent of London Metal Exchange nickel metal price chargeable on the contained nickel metal in ore produced.
28. Limeshell	Fifteen rupees per tonne.
29. Magnesite	Two per cent of sale price on ad valorem basis.
30. Manganese Ore : (a) Ore of all grades (b) Concentrates	Fifteen per cent of sale price on ad valorem basis.

31. Crude Mica, Waste and Scrap Mica	Twenty rupees per tonne
32. Monazite	Ten per cent of sale price on ad valorem basis.
33. Nickel	** Ten per cent of sale price on ad valorem basis. Two and half per cent of sale price on ad valorem basis.
34. Ochre	Five per cent of London Metal Exchange price chargeable on by-product silver metal actually produced.
35. Pyrites	Five per cent of London Metal Exchange silver metal price chargeable on the contained silver metal in ore produced.
36. Pyrophyllite	Forty five rupees per tonne.
37. Quartz, Silica sand, Moulding sand and Quartzite	Fifteen per cent of sale price on ad valorem basis.
38. Ruby	Five per cent of London Metal Exchange tin metal price chargeable on the contained tin metal in ore produced.
39. Sand for Stowing	
40. Selenite	Twenty rupees per unit per cent of content WO ₃ per tonne of ore and on pro rata basis.
41. Sillimanite	
42. Silver	Five rupees for dry ore with U ₃ O ₈ content of zero point zero five per cent with pro rata increase/decrease at the rate of one rupee and fifty paise per metric tonne of ore for zero point zero one per cent increase/decrease .
(a) By-product	
(b) Primary silver	Three per cent of sale price on ad valorem basis.

43. Slate	Ten per cent of sale price on ad valorem basis.
44. Talc/ Steatite /Soapstone	Six point six per cent of London Metal Exchange zinc metal price chargeable on Contained zinc metal in ore produced.
45. Tin	Ten per cent of sale price on ad valorem basis.
46. Tungsten	
47. Uranium	
48. Vermiculite	
49. Wollastonite	
50. Zinc	
51. All other minerals not herein before specified. [clay(others), chalk, diaspore, dunite, feldspar, fuschite, quartzite, jasper, perlite, rock salt, shale, pyroxenite etc.]	

* Explanation :

1. For the purpose of this item , the specification of the coal shall be as prescribed under clause

3 of the Colliery Control Order, 2000.

2. Rates of Royalty in respect of item 11 relating to Coal including Lignite as revised vide notification number G.S.R. 572(E), dated the 16th August, 2002 of Government of India, in the Department of Coal, will remain in force until revised through a separate notification by the Ministry of Coal.

** Rates of in respect of item 39 relating to Sand for Stowing as revised vide notification number G.S.R. 214(E) dated the 11th April, 1997 will remain in force until revised through a separate notification by the Department of Coal.

Note: The rates of royalty for the State of West Bengal in respect of the minerals except the mineral specified against item number 11 shall remain the same as specified in the notification of the Government of India in the Ministry of Steel and Mines (Department of Mines) number G.S.R. 458(E), dated the 5th May, 1987.

1THE THIRD SCHEDULE

(See section 9 A)

(APPLICABLE FOR ALL STATES AND UNION TERRITORIES
EXCEPT THE STATE OF WEST BENGAL)

1. Rate of dead rent applicable to the leases granted for low value minerals are as under :

Rates of Dead Rent in Rupees per Hectare per Annum

First two years of lease	3rd year onwards
100/-	400/-

--	--	--	--	--	--

2) Two times the rate specified under (1) above in case of leases granted for medium value mineral(s).

3) Three times the rate specified under (1) above in case of leases granted for high value mineral(s).

4) Four times the rate specified under (1) above in case of leases granted for precious metals and stones.

Note: 1. For the purpose of this notification, -

(a) "precious metals and stones" "high value minerals" means gold, silver, diamond, ruby, sapphire, and emerald , alexandrite and opal;

(b) "high value minerals" means semi-precious stones(agatem gem, garnet), corundum, copper, lead, zinc, asbestos (chrysotile variety) and mica.;

(c) "medium value minerals" means chromite, manganese ore, kyanite, sillimanite, vermiculite, magnesite, wollastonite, perlite, diaspore, apatite , rock phosphate, fluorite (fluorspar)and barytes.

(d) "low value minerals" means minerals other than precious metals and stones, high value minerals and medium value minerals.

2 The rates of dead rent for the State of West Bengal shall remain the same as specified in the notification of the Government of India in the Ministry of Steel & Mines (Department of Mines) No. G.S.R. 458(E) dated the 5th May, 1987.
